FOR IMMEDIATE RELEASE

## Motus Theater is Recruiting NEW BOARD MEMBERS!

Motus Theater is excited to announce that we are accepting applications for new board members!

Motus' mission is to create original theater to facilitate dialogue on critical issues of our time. We aim to use the power of art to build alliances across diverse segments of our community.

Our award-winning performances and projects have moved important local and national debates about marginalized local histories, and immigration reform.

Being a member of the Motus Theater Board of Directors is a unique opportunity to support an organization that brings together art-making and social justice in one-of-a-kind projects that deeply transform our community.

We specifically encourage applications from individuals with high cultural competency, ability to think strategically, and interest in taking on executive positions (i.e. board president, vice president, secretary, and treasurer). Board members with expertise in one or more of the following areas are needed:

- Development
- Business
- Accounting & Finances/Treasurer
- Personal and/or political experience with social justice and equity issues - particularly Immigration Rights

Prospective board members should be excited about the intersection of art and social justice and be committed to Motus Theater's growth as an organization.
